Keynote Booking Terms

Luke Rodgers BEM | Luke Speaks Limited | Version 1, October 2026

Thank you for booking Luke. These terms explain what you get, what it costs and how the booking works. If anything is unclear, just ask before you confirm.

1. Fees

- **In-person keynote:** £4,950 + VAT.
- **Online keynote:** £2,490 + VAT.
- **Workshop:** £2,950 + VAT, whatever the length. Above 30 people, a second facilitator is added at £600 + VAT.
- **Expenses:** charged at cost on top of the fee. This covers standard-class rail or 45p a mile, and one night's hotel where the timings need it.
- All invoices come from Luke Speaks Limited.

2. What every booking includes

Every keynote, in person or online, comes with more than the session itself:

- **The keynote recording.** Every delegate can watch the full keynote on The Care Leaders Online for 12 months after your event.
- **A workbook.** Built around Story, Theory and Action, with materials to help delegates take the learning back to their teams.
- **50% off The Care Leaders Online.** Every delegate gets 50% off an individual annual membership for their first 12 months.

How the discount works. The discount is per person: each delegate redeems it once, on their own account. It must be redeemed within 60 days of your event. It applies to individual annual membership only and cannot be combined with team or organisation licences.

3. Confirming your booking

- We hold your date for 14 days after we send you the fee.
- Your booking is confirmed when you accept by email and send a purchase order, if your organisation uses them.

4. Payment

- We invoice after the event.
- Payment is due within 30 days of the invoice date. Please quote any purchase order number on payment.

5. Cancellation and changes

- **More than 60 days before the event:** no charge.
- **30 to 60 days before:** 50% of the fee.

- **Less than 30 days before:** the full fee, plus any expenses already paid.
- You can move the date once at no cost, as long as the new date is within 12 months.

6. If Luke cannot attend

If illness or an emergency stops Luke attending, we will offer you another date, deliver the session online, or refund you in full. The choice is yours.

7. On the day

So the session runs smoothly, please provide:

- an HDMI connection for Luke's own laptop, placed in front of him
- a lapel microphone and a clicker
- a named contact who is available on the day

Luke presents from his own laptop and does not use other equipment. Slides are not shared before the event.

8. Filming and recording

Please ask us before you film or record the session. Luke keeps the rights to his content. Your delegates already get the professional recording of the keynote through The Care Leaders Online, so most organisations do not need their own.

9. Delegate data

Delegates sign up to The Care Leaders Online themselves to access the recording and workbook. They only receive marketing from us if they choose to opt in.
