Training Booking Terms

The Care Leaders Limited | Version 1, October 2026

The CareLeaders

Thank you for booking training with The Care Leaders. These terms set out what you get, what it costs and how the booking works. If anything is unclear, ask us before you confirm.

£4,950 + VAT
One course, face to face: 6 hours, usually 10am to 4pm, for up to 60 people

£2,490 + VAT
One course, live online: a 2-hour live session, for up to 60 people

1 Fees

- **Face-to-face course:** £4,950 + VAT. Every course runs for 6 hours, usually 10am to 4pm, with breaks and lunch built in.
- **Live online course:** £2,490 + VAT. One 2-hour live session on Teams or Zoom, covering the core of the course. The workbook and the on-demand course carry the rest.
- **Group size:** up to 60 people. Above 60, we bring a second facilitator at £900 + VAT so everyone still gets the time and attention the activities need.
- **Expenses (face to face only):** charged at cost on top of the fee. This covers standard-class rail or 45p a mile, and one night's hotel where the timings need it.
- **Shaping it to your service:** we use examples and language from your service at no extra cost. If you want new content written, we will agree it and its cost with you before any work starts.
- All invoices come from The Care Leaders Limited.

2 What every delegate gets

Every course, face to face or online, comes with more than the day itself:

- **A workbook,** built around Story, Theory and Action, theirs to keep forever.
- **The recording of the session,** to watch again for 12 months.
- **An interactive, on-demand course** on The Care Leaders Online covering the same ground, for 12 months.
- **A certificate of completion.**
- **50% off The Care Leaders Online.** Every delegate gets 50% off an individual annual membership for their first 12 months.

How the discount works. The discount is per person: each delegate redeems it once, on their own account. It must be redeemed within 60 days of your course. It applies to individual annual membership only and cannot be combined with team or organisation licences.

3 Confirming your booking

We hold your date for 14 days after we send you the fee. Your booking is confirmed when you accept by email. We will then ask for the details we need to invoice you. If your organisation uses purchase orders, you can send one at any point and we will add it to the invoice.

4 Payment

We invoice the fee when you confirm your booking. Expenses are invoiced separately after the course. Payment is due within 30 days of the invoice date. Please quote any purchase order number when you pay.

5 Cancellation and changes

- **More than 60 days before the course:** no charge. We cancel the invoice, or refund anything you have paid.
- **30 to 60 days before:** 50% of the fee. We credit or refund the other 50%.
- **Less than 30 days before:** the full fee, plus any expenses already paid.
- You can move the date once at no cost, as long as the new date is within 12 months.
- Changing from face to face to online, or the other way, follows the fee for the new format.

6 If we cannot deliver

If illness or an emergency stops us delivering on the day, we will offer you another date, deliver the course online, or refund you in full. The choice is yours.

7 What we need from you

Face to face: a room big enough for your group to work at tables in small groups, a screen or projector with an HDMI connection for our laptop, a microphone for groups over 30, and a named contact available on the day.

Online: a Teams or Zoom link, or we can send one. Delegates join from their own device with a camera and microphone so they can take part in the activities.

About a month before, we send you a short form to confirm the timings, the venue and a contact for the day.

8 Filming and recording

Please ask us before you film or record the session. We keep the rights to our training content. Your delegates already get the recording of the session through The Care Leaders Online.

9 Delegate data

Delegates sign up to The Care Leaders Online themselves to access the recording, the course, the workbook and their certificate. They only receive marketing from us if they choose to opt in.
